

## CAR SHARING FROM EUROWAG

On-demand car sharing for your motor pool. Make it easy for your employees to find and use available cars.

Car Sharing automatically tracks trips so you can see how your fleet is being utilized.

Easily separate business from personal trips, optimize fleet utilization, and simplify the car sharing process.

1

Find a car using the Car Sharing app and request access.

2

Unlock the car via Bluetooth and the start driving.

3

When finished, return the car using Car Sharing app.
