

## Toll classes

Highway toll varies according to vehicle height and number of axles, based on the following classes:

### 2 AXLES

#### Class A

height below or equal to 1.3 m (measured at the front axle)  
(only scooters above 150cc are allowed on highways)

CLASSE A < 1,3m

#### Class B

height above 1.3 m (measured at the front axle)

CLASSE B > 1,3m

### AXLES 3

Examples of 3-axle vehicles:

### AXLES 4

Examples of 4-axle vehicles:

### 5 OR MORE AXLES

Examples of 5 or more axle vehicles:
